POWERFLOW CONNECTION ZONE

This thoughtfully designed display presents an extended variety of cords, optimizing space efficiency in stores. Catering to diverse needs, it offers a versatile range suitable for both home improvement and professional contractor projects.

The collection encompasses indoor cords alongside a comprehensive selection of 16/3 cords, supplemented by options in 14/3 and 12/3. Additionally, the program features a range of power bars and taps, ensuring customers have access to all essential supplies.

Selection

Discover a comprehensive assortment of extension cords, taps, and power bars, providing the widest range of options for your electrical needs.

Merchandising

Included is a dump bin, a three-tier bin, POP signage, and shelf talkers, all strategically designed to pave the way for your success.

Marketing Support

This package encompasses digital merchandising packaging, a tailored social media package, and an email marketing template designed to optimize your online presence, engage your audience effectively, and drive sales.

CONTRACTOR CORD CENTRAL

This curated display showcases a comprehensive range of extension cords tailored specifically for contractors and industry experts.

Our assortment comprises an extensive array of 16/3, 14/3, and various 12/3 cords, ensuring we cater to diverse project requirements. With this selection, we equip Home Improvement Centers catering to contractor-focused clientele with everything necessary to meet their customers' needs.

DISPLAY OPTION 1 - PROGRAM B

Selection

A broad range of contractor-grade cords tailored for industry professionals.

Merchandising

Included in the package is the shelf talker kit to ensure effective communication of all product features and information to customers.

Marketing Support

This package encompasses digital merchandising packaging, a tailored social media package, and an email marketing template designed to optimize your online presence, engage your audience effectively, and drive sales.

POWER ESSENTIALS HUB

This thoughtfully curated display presents a diverse selection of extension cords, meticulously tailored for general-purpose use, DIY enthusiasts, and homeowners.

Our assortment features indoor cords, appliance cords, and a comprehensive range of 16/3 cords, complemented by essential packages of 14/3 and 12/3 cords. Additionally, this program offers a variety of power bars and taps, ensuring that you provide customers with everything they require.

DISPLAY OPTION 2 - PROGRAM D

Selection

A wide selection of high-quality cords designed for homeowners and general hardware store customers.

Merchandising

Included is a dump bin, a three-tier bin, POP signage, and shelf talkers, all strategically designed to pave the way for your success.

Marketing Support

This package encompasses digital merchandising packaging, a tailored social media package, and an email marketing template designed to optimize your online presence, engage your audience effectively, and drive sales.
